## Bin Loan Program

ECISWD is happy to be able to provide portable recycling collection bins for your next event! We do require a small financial deposit for the use of each bin. **The deposit will be returned as long as the bins are returned undamaged to ECISWD in a timely manner.** These containers use a special sized liner, which is 40" x 46". But, you may be able to find some 55 gallon bin liners at your local home improvement/hardware store that might fit. We recommend a clear bag, so they are easily recognized as a recycling container and not a trash can! ECISWD will provide one liner free of charge for each bin borrowed. ECISWD charges \$1 per liner for any extra liners you receive from ECISWD.

Please contact ECISWD if you have any questions, or would like more information about our new Bin Loan Program!
